AGI Accepting Applications for 2011 Award for Excellence in Earth Science Teaching

Does someone you know teach earth science to students between kindergarten and eighth grade? Do they excel in their teaching through leadership and innovation, bringing new ideas and approaches to teaching about our planet? If so, they may be eligible for the Edward C. Roy Award for Excellence in K-8 Earth Science Teaching. Given annually, this award recognizes one classroom teacher nationwide for their leadership and innovation in earth science education.
