## YES Network - APECS Townhall Meeting at EGU 2011 General Assembly to be Webcast by AGI

The YES Network and the Association of Polar Early Career Scientists (APECS) will be hosting a townhall meeting at the 2011 European Geosciences Union (EGU) General Assembly in Vienna, Austria from 19:00-20:00 on April 5. This event will address some of the key factors in aligning graduate aspirations with employer needs. Event speakers will include representatives from geoscience early-career geoscientists.
