Robert H. Dott, Jr. awarded Marcus Milling Legendary Geoscientist Medal

The American Geological Institute (AGI) is pleased to announce Dr. Robert H. Dott, Jr., Professor Emeritus, Department of Geoscience of the University of Wisconsin-Madison, as the recipient of the 2011 Marcus Milling Legendary Geoscientist Medal. Established in 1999, the award is presented to a geoscientist who has demonstrated a long history of scientific achievement and exceptional service to the geoscience profession.
