

Sharon B. Megdal

Director, *University of Arizona Water Resources Research Center, Keynote Speaker*

Sharon B. Megdal is Director of The University of Arizona Water Resources Research Center, an Extension and research unit in the College of Agriculture and Life Sciences. She also holds the titles: Professor and Specialist, Department Soil, Water, and Environmental Science; C.W. & Modene Neely Endowed Professor; and Distinguished Outreach Professor. Her work focuses on water policy and management challenges and solutions, on which she writes and frequently speaks. Current projects include: comparative evaluation of water management, policy, and governance in growing, water-scarce regions; groundwater management and governance; groundwater recharge; and transboundary aquifer assessment. Sharon, who holds a Ph.D. in Economics from Princeton University, is active in several national water organizations and is an elected member of Central Arizona Project board, which is responsible for the rates, taxes, and policies of the largest surface water conveyance project in Arizona.
