AEG Naturally Occurring Asbestos Technical Working Group Meeting

Association of Environmental & Engineering Geologists

The Association of Environmental and Engineering Geologists (AEG) Naturally Occurring Asbestos Technical Working Group will be hosting a meeting on December 15th, 2016 in Oakland, CA. For more information on NOA2016 go to: <http://aegsf.org/NOA2016/>. EARTH Magazine did a piece on naturally occurring asbestos last year.
