

## 2016 Life as a Geoscientist Photo Contest

Remember those #FieldCamp photos from this summer? Consider entering them in the 2016 Life as a Geoscientist Photo Contest. One winner will be selected from each category to win a \$50 dollar Amazon gift card, a year subscription to Earth Magazine, and a "I'm a Geoscientist" T-shirt. We want to see your field photos, your photos in labs, and your visualization/immersion labs. Deadline to participate is November 19th, 2016.
