

SME: Move Mining Competition Team Concepts Due December 1st

Society for Mining, Metallurgy & Exploration

move mining ▶

The mining industry needs your innovation!

Move Mining is a team competition open to students and professionals. The goal is to develop a positive, forward-looking campaign to promote mining and the mining effort worldwide. The inaugural competition will be held at the February 2017 SME Annual Conference & Expo in Denver, Colorado.

Help us share the positive message of mining and the global benefits of this essential industry. To create a winning proposition – *Don't Shout First!*

- Develop Your Concept**
Assemble a team of 3-4 people to develop a concept or idea on how to Move Mining.
- Submit Concept Online**
Submit your 2 page concept paper for your concept or idea online by December 1, 2016.
- Top 5 Concepts Present**
The top 5 teams will present at the SME Annual Conference & Expo in February 2017. The contest will be judged by industry leaders and experts.
- Launch the Campaign**
Winners receive a \$2500 cash prize and support from sponsoring organizations to launch their campaign in 2017.

The winning team will be invited to the 2018 SME Annual Conference & Expo to share their success!

  

The Society for Mining and Metallurgy Exploration, Inc. (SME) announced that the Team Concepts for the Move Mining competition are due December 1st, 2016. This is a competition created to raise awareness of mining and the value of mining in society.
