## Critical Issues: Map of the Day - Oil and Gas in Nevada

Nevada Bureau of Mines and Geology

#MapOfTheDay! Today the Critical Issues Program (@AGI\_GeoIssues) shared an interactive map of oil and gas resources in Nevada from the Nevada Bureau of Mines and Geology, which you can find at <http://bit.ly/2cO48O1>. If you're interested in learning more about oil and gas, check out our Basics and Frequent Questions.
