Critical Issues: Map of the Day - Groundwater Quality in Idaho

Idaho Bureau of Laboratories, Idaho Department of Health and Welfare

#MapOfTheDay! Today the Critical Issues Program (@AGI_GeoIssues) shared an interactive map of groundwater quality in Idaho from the Idaho Bureau of Laboratories at the Idaho Department of Health and Welfare (@IDHW), which you can find at <http://bit.ly/2dnK2gD>. To learn more about groundwater, check out our archived webinar, *Water as One Resource*, and register for the upcoming 2016 Critical Issues Forum.
