Critical Issues: Map of the Day - Mines of Ohio

Ohio Department of Natural Resources

#MapOfTheDay! Today the Critical Issues Program (@AGI_GeoIssues) shared *Mines of Ohio*, an interactive map of geothermal resources in the U.S. from the Ohio Department of Natural Resources (@ohiodnr), which you can find at <http://bit.ly/2dS8Qk5>. For more information on past and present mining and reclamation operations in Ohio, check out the Critical Issues Research Database.
