

GeoCUR Awards 2016 Undergraduate Research Mentor

American Geophysical Union

Council on Undergraduate Research

The Council on Undergraduate Research - Geosciences Division (GeoCUR) announced its 2016 Undergraduate Research Mentor Awardee at the Geological Society of America 2016 Annual Meeting. Wendy Borhson, Professor at Central Washington University was recognized by GeoCUR for her patience and dedication to promoting research for undergraduates. For a full citation of Wendy's work with undergraduate researchers, check out the American Geophysical Union (AGU) Blog GeoEd Trek.
