NWS to Announce Organizational Changes - TODAY 11am EDT

National Weather Service (NWS) director will be briefing the press shortly on its "evolving operations, workforce and organizational structure to bring more nationwide consistency to the science and service it delivers." The online press briefing will take place at 11 am EDT. The briefing will feature the National Weather Service Director Louis Uccellini, and Deputy Director Laura Furgione. Please register to attend the online webinar at https://attendee.gotowebinar.com/register/3521644862232315394. Follow the Twitter hashtag, #EvolveNWS.
