Critical Issues: Map of the Day - Mineral Resources in Maine

#MapOfTheDay! Check out this interactive map of mineral resources in Maine from @MaineDACF #mainething

#MapOfTheDay! Today the Critical Issues Program (@AGI_GeoIssues) shared an interactive map of mineral resources in Maine from the Maine Geological Survey, part of the Maine Department of Agriculture, Conservation, and Forestry (@MaineDACF), which you can find at <http://bit.ly/1JLygUP>. For more geoscience information on Maine, check out our Research Database.
