Documenting student success through e-portfolios: Free AGU/AGI Heads and Chairs Webinar

The AGU Heads and Chairs program and the American Geosciences Institute are pleased to be offering a free webinar on Documenting student success through e-portfolios. Leading this month's webinar are Warner Cribbs, Melissa Lobegeier, and Jeremy Aber from the geosciences department at Middle Tennessee State University.

Please consider registering yourself or invite any of your faculty or colleagues who are interested in this month's topic. We invite you to join us on Friday, 23 March 2018 from 1:00 P.M. - 2:00 P.M. EDT.

Register for free

To view recordings of past AGU/AGI Heads and Chairs webinars, please visit:

<https://www.americangeosciences.org/workforce/aguagi-heads-and-chairs-webinars>. Even if you can not make the webinar, but want to be informed about the recording, please register and we will notify you as soon as the recording is available.
