

Request Department Addition to the DGD

Please complete this form if you are a member of a geoscience department or organization that you would like to see added to the Directory of Geoscience Departments. After submitting the form, an AGI staff member will review your request and then forward login credentials for you to begin completing your listing.

Department Name *

The name of your department/program that you would like added.

University/Parent Organization

Please indicate the University or other parent organization that your department/organization is part of.

Website *

The website for your department or organization.

Requester's Name *

Request's EMail *

We need a contact e-mail so we can properly follow up with your request.
