Dec. 2, 2016 - Free Interview and Resume Workshop Conference Call

American Institute of Professional Geologists

On December 2nd, 2016 at 12:00pm PST, the California Section of the American Institute of Professional Geologists, with the UC Davis Student Chapter and the Sonoma State University Student Chapter will host a free conference call for those wanting an interview and resume workshop over the phone. The event is free and the call in number and moderator contact information is in a pdf document.

We recommend students or professionals send their questions or comments to Steve Baker or Rob Campbell, who will moderate the 1-hour event.
