## Geoscience Policy Monthly Reviews Archive

Browse the Geoscience Policy Monthly Review Archives below to read content from 1996 through 2010.

The **Geoscience Policy Monthly Review** and other special updates keep Member Societies informed of Geoscience Policy activities and related events in Washington, D.C. They are sent out by electronic mail to Member Society leadership; public affairs committees; AGI's Executive Committee, Member Society Council, Geoscience Policy Committee; and other interested geoscientists.

**Sign up to receive the monthly review directly.**

NOTE: After you sign-up, you will receive a confirmation email from **AGI Public Relations** <[outreach@americangeosciences.org](mailto:outreach@americangeosciences.org)>. Please click the link in this email to confirm your subscription.
