

Clinton Koch

Clinton Koch graduated in May 2013 from South Dakota School of Mines and Technology in Rapid City, SD, with a Bachelor of Science Degree in Geology and a minor geospatial technologies. As part of his undergraduate studies, Clint participated in research studying the acoustic velocities and magnetic susceptibilities of several thousand feet of core from the former Homestake Gold Mine located in Lead, SD. Following his internship at AGI, Clinton will be pursuing a Master of Geoscience at the University of Arizona with an emphasis in geophysics. His interests include crustal structure, seismology, tectonics, and energy production. He is originally from Brookfield, WI.
