## GeoCUR Undergraduate Research Mentor Award Application Open #highered

Council on Undergraduate Research

The application period for the Geoscience Division of the Council on Undergraduate Research (GeoCUR) Undergraduate Research Mentor Award is now open. The award was established by the division in order to highlight the importance of mentoring undergraduate research activities. The successful applicant will receive \$500 and a year-long membership to the Council on Undergraduate Research. The deadline to apply is June 1, 2017.
