\$1000 Grant Opportunity for Grads in Organic Petrology #energy

Abandoned Grassy Mountain Coal Mine near Crowsnest Pass, Alberta, Canada

The Society for Organic Petrology (TSOP) is accepting applications for the Spackman Award. Students seeking an advanced degree in organic petrology are encouraged to apply by May 31, 2017. Applicants' research must demonstrate the utility and significance of organic petrology (which includes coal petrology, kerogen petrology, organic geochemistry and related disciplines) in solving the thesis problem.
