

Interior, Environment, and Related Agencies Appropriations: FY 2018

The main agencies of interest to the geoscience community in the Interior, Environment, and Related Agencies appropriations bill include the U.S. Geological Survey (USGS), Bureau of Land Management (BLM), Bureau of Ocean Energy Management (BOEM), Bureau of Safety and Environmental Enforcement (BSEE), National Park Service (NPS), and the Smithsonian Institution (SI). The U.S. Forest Service within the Department of Agriculture is also included in this chart.
