

PRI Publishes Teacher-Friendly Climate Change Guide #STEM #k12

Paleontological Research Institution

In a recent blog from the American Geophysical Union blogging network, "Wild Weather Dan" Satterfield, shared a new resource available from the Paleontological Research Institution (PRI). The new Teacher-Friendly Guide on Climate Change was released this year and is available as a free PDF download from the website www.teacherfriendlyguide.org. The guide is a part of the the regionally-focused Teacher-Friendly Guide™ series on geoscience produced by PRI in an effort to connect teachers to regional examples demonstrating the lessons taught about geoscience.
