

Fossils: ERRATA

Notes on the 2001 Edition

- Investigation 1: The Properties of Fossils
- Investigation 2: Sediment Size and Fossil Formation
- Investigation 3: Conditions for Fossil Formation
- Investigation 4: Fossils through Geologic Time
- Investigation 5: Comparing Fossils over Time
- Investigation 6: Adaptations to a Changing Environment
- Investigation 7: Being a Paleontologist

Investigation 1: The Properties of Fossils

NONE

Investigation 2: Sediment Size and Fossil Formation

NONE

Investigation 3: Conditions for Fossil Formation

NONE

Investigation 4: Fossils through Geologic Time

NONE

Investigation 5: Comparing Fossils over Time

NONE

Investigation 6: Adaptations to a Changing Environment

NONE

Investigation 7: Being a Paleontologist

NONE
