

Energy: Further Research

- Web Sites
- Magazines
- Videos
- Posters

Web sites:

- State Electricity Profiles, **Energy Information Administration**
Profiles can be viewed in either PDF (requires Adobe Acrobat) or HTML format.
- Energy Education Resources: Kindergarten Through 12th Grade, **Energy Information Administration**
- American Gas Association
- Energy Information Administration home page
- Energy Efficiency and Renewable Energy Network (EREN) home page
- United States Geological Survey (USGS) home page
- USGS Energy Resources home page
- USGS Energy Resources - Energy-Related Publications, Products, and Data
- National Renewable Energy Laboratory home page
- Department of Energy Fossil Energy home page
- Nuclear Energy Institute home page
- Department of Energy home page
- American Geophysical Union (AGU) Science for Everyone
- International Solar Energy Society (ISES) home page
- American Wind Energy Association (AWEA) home page
- Natural Gas Information and Educational Resources home page
- American Association of Petroleum Geologists (AAPG) home page
- BLM Learning Landscapes: Teaching Resources, Energy, **BLM**
- American Petroleum Institute (API) home page

Magazines:

- Science News
Excellent source of articles describing the most recent and interesting events in scientific research.
- Earth, **AGI**
Published by the American Geosciences Institute, this magazine reviews current issues in the Earth Sciences and can serve as a valuable supplemental resource for teachers and students alike. Visit the web site for online articles and information about obtaining a one-year subscription (40% discount for AGI Member Society members; 65% discount for students).

Videos:

- Splitting Atoms -- An Electrifying Experience, **Office of Nuclear Energy**

To find this video scroll down to the "Video" section. A copy of this award winning 11 minute video (VHS format) is available FREE of charge for educational purposes.

- Energy Videos, **Bullfrog Video**
- Switch Energy Project

Posters:

- Energy Fuel for Thought, **BLM**

A poster showing uses of energy in an imaginary school. There is a free downloadable version in pdf format [here](#).
