

Status of Geoscience Workforce 2018

Purchasing Options

Purchase the downloadable PDF direct from AGI (\$20.00)

Purchase the print version from Amazon.com (list price \$50.00)

Table of Contents

Chapter 1: Trends in K–12 Geoscience Education — Preparing Students for College Geoscience Programs and Society

- Earth Science Education
- Teachers
- Students

Chapter 2: Postsecondary Education Benchmarks

Chapter 3: Trends in Two-Year College Geoscience Programs

- Geoscience Departments and Faculty
- Geoscience Students
- Geoscience Associate's Degrees

Chapter 4: Trends in Four-Year Institution Geoscience Programs

- Geoscience Departments
- Geoscience Faculty
- Geoscience University Students
- Co-Curricular Activities
- Skills Development
- Student Plans for Graduate School
- Funding of the Geosciences at the University Level
- Funding of Geoscience Students

Chapter 5: Trends in Geoscience Employment--Examining Student Transitions and Workforce Dynamics

- Early Career Workforce
- Salary Trends for Geoscience Occupations
- Demographics of the Geoscience Profession
- Workforce Age Demographics
- Geoscience Employment Projections 2016-2026

Chapter 6: Trends in Economic Metrics and Drivers of the Geoscience Workforce

- Federal Research Funding for the Geosciences
- Commodity Prices and Output
- Gross Domestic Product Contribution of Geosciences
- Productive Activity of Geoscience Industries

Appendix A: Defining the Geosciences

- Educational Classifications
- Occupational Classifications
- Industry Classifications
- AGI's Working Definition of Geoscience Occupations

Appendix B: Data Sources
