

GOLI Proposal Submission Form

Thank you for your interest in being a content expert for the Geoscience Online Learning Initiative (GOLI). To submit your GOLI webinar or on-demand course idea, please fill out the following proposal form and it will be reviewed by a committee within a couple weeks.

If you have any questions, please email GOLI staff at goli@americangeosciences.org.

Name * _____

Occupational Title * _____

Affiliation * _____

Email * _____

Proposed Webinar/On-Demand Course Title * _____

Description and Justification *

Please provide a brief description of the issue(s) and or topic this course addresses. Who are the target audiences? What need in the community does this topic fill and why is it important for the target audiences? Please also provide a short list of the top three overarching themes/questions that will be addressed in the course.

Select all target audiences for the webinar/on-demand course *

Non-profits

For-profits

State agencies

Local agencies

Federal agencies

Tribal agencies

K-12 Educators

- University or college faculty and staff
- Undergraduate students
- Graduate students
- Post-Doctoral students
- Other

Is your proposal for a live webinar event or to develop an on-demand course from scratch? *

- Live webinar event
- On-demand course

Note: If applicable, "Live webinar events" may be converted into on-demand courses if certain requirements are met.

What is the estimated time for participants to complete the webinar? * _____

hour(s)

Please round to the nearest 30 minutes (e.g. 1.5), up to 2 hours.

What is the estimated time for participants to complete the on-demand course? * _____

hour(s)

Please round to the nearest 30 minutes (e.g. 1.5), up to 10 hours.

Which of the following GOLI content tracks best aligns with your topic? *

- Applied Geoscience: Covers technical aspects of geoscience – emerging technologies, best practices, novel or innovative approaches/methods, or general education on scientific topics.
- Professional Development: Addresses career preparation, professional development, the economics of geoscience, workforce demand and supply, etc.
- Higher Education: Covers topics of interest to support the success of geoscience college and university departments, including webinars particularly focused on geoscience department heads and chairs.
- K-12 Education: Covers topics of interest to support the success of geoscience K-12 teachers.
- Geoscience Communication: Addresses the societal relevance and/or policy aspects of applied geoscience topics, including science communication and outreach.
- Other: Topic does not pertain to any of the above described.

*American Geosciences Institute staff may adjust webinar track if appropriate.

Track - Other

If you chose "Other" for the above question, please describe your proposed content track here.

Presenters or Content Experts - Please provide a short bio for each speaker explaining his/her qualifications *

If your webinar or on-demand course plans to feature more content experts than just yourself, please provide the following information: Names, Affiliations, Emails, description of content to be contributed. If you are the only content expert for this proposal, please type "NA" in the text box.

Continuing Education Units *

CEUs through AIPG

Other organization's CEUs, PDHs, Micro-credentials

Please select if you would like this webinar or on-demand course to provide continuing education units (CEUs) through the American Institute of Professional Geologists (AIPG) for participants. If you would like us to approach another organization which could offer CEUs, Professional Development Hours, or other Micro-credentials, please select "Other."

CEUs - Other

If you selected "Other" for the above question, please list what organizations credentials you'd like to offer for your webinar or on-demand course and how you will help GOL staff to be able to offer them.

Organizations to help advertise

Please list any organizations you would recommend that we contact to help spread the word about the event. We provide these organizations with the option to be officially recognized as media partners. Please provide: Organization name, contact name, contact email.
