

## Suggest A Resource

### Do you have a resource that you would like to contribute to the Policy & Critical Issues website or research database?

This could be a report, fact sheet, case study, article, video, map, FAQ, or other electronic resource that could help provide geoscience information about a particular issue. Please fill out the form below, and we will review your submission for inclusion into our website and research database

**Geoscientists:** The content you share will help decision makers by providing them with relevant geoscience information pertaining to the issues they are facing. The content you share will help other decision makers who are tackling similar issues by giving them additional information and resources to use.

**Decision makers:** The content you share will help other decision makers who are tackling similar issues by giving them additional information and resources to use. Your content will also be useful to geoscientists by helping them better understand the issues you are addressing.
