About Education GeoSource

https://egs.americangeosciences.org

Education GeoSource compiles geoscience education resources from a variety of organizations, providing credible and accurate Earth and Space Science resources for all ages. Visitors have access to thousands of free resources, from lessons to outreach and teacher professional development, for use in classrooms, scout programs, or at home.

We encourage visitors to review our collections, suggest other resources, and let us know when items are out of date or problematic for other reasons.
