## The Paleontological Society is now accepting applications for two student members to participate in Geo-CVD 2019!

Paleontological Society

**The Paleontological Society is now accepting applications for two student members to participate in Geo-CVD 2019!**

The American Geosciences Institute (AGI), in collaboration with other science societies including the Paleontological Society, invites members of the geoscience community from across the nation to come to Washington, DC, for the annual Geoscience Congressional Visits Day (Geo-CVD) on September 10-11, 2019.
