#12: Full-waveform inversion

SEG's Seismic Soundoff

Dr. Michal Malinowski, special section lead editor for Interpretation and Jyoti Behura, special section lead editor for The Leading Edge join Andrew Geary to discuss full-waveform inversion. Dr. Michal Malinowski is Associate Professor at the Institute of Geophysics at the Polish Academy of Sciences at Warsaw and head of the Seismic Imaging Team. Jyoti Behura is the Founder & CEO of Seismic Science LLC. Full show notes at <http://seg.org/podcast>.
