AGI Releases 2021 Status of Recent Geoscience Graduates Report

ALEXANDRIA, Va. — The American Geosciences Institute (AGI) is pleased to announce the release of *Status of Recent Geoscience Graduates 2021*, a report detailing the demographics, activities, experiences, employment, plans, and skills development of geoscience degree recipients in the United States during the 2020-21 academic year.

This year's report provides a glimpse into the experiences of graduates most impacted by the COVID-19 pandemic and provides insights into the breadth and depth of their educational experience and ongoing trajectory in the geoscience profession.

The report is available as a free PDF download from the AGI website. A printed version of the report can be purchased from Amazon.com (ISBN: 978-0-922152-54-4).

About AGI

The American Geosciences Institute (AGI), a federation of scientific and professional associations representing over a quarter-million geoscientists, is a nonprofit 501(c)(3) organization dedicated to serving the geoscience community and addressing the needs of society. AGI headquarters are in Alexandria, Virginia.
