Order Your 2022 Earth Science Week Toolkit Today

ALEXANDRIA, Va. — Place your advance order for the 2022 Earth Science Week Toolkit today. The toolkit contains everything you need to prepare for Earth Science Week (October 9-15, 2022), which celebrates the theme "Earth Science for a Sustainable World." This year's toolkit includes:

- 12-month school-year activity calendar, suitable for hanging
- New Earth Science Week poster, including a learning activity
- NASA materials on climate change and agriculture science
- Geoscientists Without Borders(c) activity sheets from SEG
- National Park Service resource on fossils and paleontology
- Flyer on resources from the Soil Science Society of America
- Geologic Map Day poster on the geoscience of sustainable soil
- NOAA community resilience education activity booklet
- Mineral Education Coalition material on metals and sustainability
- IRIS flyer dealing with seismology and earthquakes
- American Geophysical Union material on science in the news
- CLEAN material on climate, energy, and citizen science
- AmericaView-NASA-USGS Landsat Sustainability poster
- CUAHSI poster on the critical zone and a Secchi disk activity
- Association for Women Geoscientists geoscience flyer
- Forest Service material on groundwater-dependent ecosystems
- Flyer on curricula and more from Nutrients for Life Foundation
- Earth science material for educators from NESTA and NAGT
- Bureau of Land Management dinosaur coloring page
- Caves and karst education material from NCKRI
- National Science Foundation soil science activity sheet
- GemKids poster from Gemological Institute of America
- Water Footprint Calculator information on water science
- AIPG, UNAVCO, AMS, CMB-S4, Forest Service items and more

Order the Earth Science Week 2022 Toolkit today. The toolkit is free and available for just the cost of shipping and handling, \$9.50 for the first toolkit and \$2.50 for each additional toolkit in the United States. See the AGI Store for special pricing on a multi-pack of three years' toolkits addressing different topics.

Toolkits are available for advance order now. The Earth Science Week 2022 Toolkit will begin shipping in August 2022.

For special shipping, bulk orders, and more information, email John Rasanen at jr@americangeosciences.org

About AGI

The American Geosciences Institute (AGI), a federation of scientific and professional associations representing over a quarter-million geoscientists, is a nonprofit 501(c)(3) organization dedicated to serving the geoscience community and addressing the needs of society. AGI headquarters are in Alexandria, Virginia.
