

Explore the Science of AGI's Member Organizations at #GSA2017

American Association of Petroleum Geologists
American Geophysical Union
American Institute of Professional Geologists
Association of American State Geologists
Council on Undergraduate Research
Geochemical Society
Geological Society of America
Geoscience Information Society
History of Earth Sciences Society
International Association of Hydrogeologists/U.S. National Chapter
International Medical Geology Association
Mineralogical Society of America
National Association of Black Geoscientists
National Association of Geoscience Teachers
National Cave and Karst Research Institute
National Earth Science Teachers Association
North American Commission on Stratigraphic Nomenclature
Paleontological Research Institution
Paleontological Society
SEPM (Society for Sedimentary Geology)
Society of Economic Geologists

August 1st is approaching and that means submitting your abstract for #GSA2017, and another opportunity to share your science in Seattle! In addition to the Geological Society of America (GSA) and its Divisions sponsoring sessions, AGI Member Organizations are hosting dozens of sessions as well. The number of co-sponsored sessions underscores how much synergy exists between the different communities that make up AGI. Click through to see what the geoscience community will be curating at GSA's 2017 Annual Meeting.
