

## Updating from IAPG Pakistan

The International Association for Promoting Geoethics

IAPG-Pakistan took a one-day workshop in the Conference Room of the Department of Geology (Abdul Wali Khan University Mardan), on 18 September 2017, entitled: "IAPG-Pakistan section: role and responsibility". Muhammad Yaseen (Coordinator of IAPG-Pakistan) delivered a brief presentation about the section and its future activities. Emad Ullah Khan (co-coordinator of IAPG-Pakistan) informed participants about modalities of the membership to the IAPG. It was highlighted that monthly meeting will be organized at the Department of Geology in order to show progress of IAPG-...
