The International Association for Promoting Geoethics

This abbreviated essay (contribution to the EADI Nordic conference) contextualizes the FAO "Voluntary Guidelines for Securing Sustainable Small-Scale Fisheries in the Context of Food Security and Poverty Eradication" (FAO SSF Guidelines) with reflections on the meaning of 'Geoethics'. The mutual context of both matters is provided through the lenses of four scholarly contributions to address the goal in the panel description: "â€ further enrich[ed] [the discus-sions] by developments arising from researching and promoting geo-ethics in the Anthropocene, thus conn...
