

1999-2000 AGI Fellow Eileen McLellan

Eileen McLellan worked for Sen. Ron Wyden (D-OR), who served on the Energy and Natural Resources Committee, the Environment and Public Works Committee and the Commerce, Science and Transportation Committee. McLellan, who came to the fellowship as a geoscience professor at the University of Maryland, worked on several environmental issues, particularly salmon restoration. She holds a Ph.D. from Cambridge University (United Kingdom). McLellan is currently Riverkeeper for the Chester River on Maryland's Eastern Shore.

Dr. Eileen McLellan wrote the following columns in *Geotimes*:

- The Two Cultures (1/00)
 - Gone Fishing (3/00)
 - Troubled Waters (5/00)
 - Sustaining the Conversation (8/00)
 - What Johnny Really Needs to Know: A View From the Hill (10/00)
