

## Presidential Awards for Excellence in Mathematics & Science Teaching

The Presidential Awards for Excellence in Mathematics and Science Teaching (PAEMST) Program is sponsored by the National Science Foundation (NSF). The program identifies outstanding science and mathematics teachers, kindergarten through 12th grade, in each state and the four U.S. jurisdictions. Presidential Awards for excellence in elementary and secondary mathematics and science teaching are given in the 50 states and the four U.S. jurisdictions (216 awards). In support of this program, AGI provides a gift to elementary and secondary science awardees (54).
