climate

Interactive drought risk map for the United States

National Drought Mitigation Center

Interactive map of carbon dioxide storage potential in the United States

U.S. Geological Survey

Interactive map of coastal change hazards in the United States

U.S. Geological Survey

Interactive map of drought conditions across the United States

U.S. Geological Survey

Interactive map of environmental information in Minnesota

Minnesota Department of Natural Resources

Interactive map of managed aquifer recharge projects around the world

International Groundwater Resources Assessment Centre

Interactive map of real-time and forecast information for coasts and oceans

National Oceanic and Atmospheric Administration

Interactive map of sea level rise impacts in Delaware

Delaware Department of Natural Resources and Environmental Control

Screenshot of the interactive map of the energy sector's vulnerabilities to climatic conditions

Image not found or type unknown

Interactive map of the U.S. energy sector's vulnerabilities to climatic conditions
U.S. Department of Energy

Interactive maps of global climate information
National Oceanic and Atmospheric Administration

Visualization of a predictive model for weather hazards
National Oceanic and Atmospheric Administration

Visualization of drought in California
U.S. Geological Survey

Visualization of Earth's key climatic indicators over time
National Aeronautics and Space Administration

Visualization of historical and predicted global temperature change
U.S. Geological Survey

Popular Maps & Visualizations

Interactive map of water levels for major reservoirs in California
California Department of Water Resources

Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey

Interactive map of United States energy infrastructure and resources
U.S. Energy Information Administration

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of streams and rivers in the United States
U.S. Geological Survey
