Interactive map of drought conditions across the United States
U.S. Geological Survey

Interactive map of energy resources in the United States
U.S. Geological Survey

Interactive map of flood conditions across the United States
U.S. Geological Survey

Interactive map of groundwater monitoring information in the United States
U.S. Geological Survey

Interactive map of hazardous waste cleanups in the United States
U.S. Environmental Protection Agency

Interactive map of historical oil and gas production in the United States
U.S. Geological Survey

Interactive map of mineral resources and mines across the United States
U.S. Geological Survey

Interactive map of oil and gas wells in Indiana
Indiana Geological and Water Survey
Interactive map of operating nuclear power reactors in the United States
U.S. Nuclear Regulatory Commission

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of produced waters in the United States
U.S. Geological Survey

Interactive map of real-time and forecast information for coasts and oceans
National Oceanic and Atmospheric Administration

Interactive map of renewable energy production in each state
U.S. Department of Energy

Interactive map of streams and rivers in the United States
U.S. Geological Survey

Interactive map of the chemistry and mineralogy of soils in the United States
U.S. Geological Survey

Interactive map of the United States' geology and natural resources
Map of wind power capacity in each U.S. state
U.S. Department of Energy

Visualization of average per person energy use for each state
U.S. Department of Energy

Visualization of energy use in every state
Lawrence Livermore National Laboratory

Visualization of water use in every state
Lawrence Livermore National Laboratory

Visualization of water use in the United States
U.S. Geological Survey

Popular Maps & Visualizations

Interactive map of coastal flooding impacts from sea level rise
National Oceanic and Atmospheric Administration

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration
Interactive map of flood conditions across the United States
U.S. Geological Survey

Interactive map of streams and rivers in the United States
U.S. Geological Survey

Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey
