Interactive database for geologic maps of the United States
U.S. Geological Survey

Interactive database for topographic maps of the United States
U.S. Geological Survey

Interactive drought risk map for the United States
National Drought Mitigation Center

Interactive map of carbon dioxide storage potential in the United States
U.S. Geological Survey

Interactive map of coal resources in the United States
U.S. Geological Survey

Interactive map of coastal and marine geoscience features in the United States
National Oceanic and Atmospheric Administration

Interactive map of coastal change hazards in the United States
U.S. Geological Survey

Interactive map of coastal flooding impacts from sea level rise
National Oceanic and Atmospheric Administration
Interactive map of drought conditions across the United States
U.S. Geological Survey

Interactive map of energy resources in the United States
U.S. Geological Survey

Interactive map of environmental information in New York State
New York State Department of Environmental Conservation

Interactive map of flood conditions across the United States
U.S. Geological Survey

Interactive map of groundwater monitoring information in the United States
U.S. Geological Survey

Interactive map of hazardous waste cleanups in the United States
U.S. Environmental Protection Agency

Interactive map of historical oil and gas production in the United States
U.S. Geological Survey

Interactive map of mineral resources and mines across the United States
U.S. Geological Survey
Interactive map of mineral resources in New York State
New York State Department of Environmental Conservation

Interactive map of offshore sand and gravel resources of the United States
Bureau of Ocean Energy Management

Interactive map of operating nuclear power reactors in the United States
U.S. Nuclear Regulatory Commission

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of produced waters in the United States
U.S. Geological Survey

Interactive map of real-time and forecast information for coasts and oceans
National Oceanic and Atmospheric Administration

Interactive map of stormwater information in New York State
New York State Department of Environmental Conservation

Interactive map of streams and rivers in the United States
Interactive map of the chemistry and mineralogy of soils in the United States

Interactive map of the United States' geology and natural resources

Interactive map of thermal springs in the United States

Interactive map of tight oil and shale gas plays in the contiguous United States

Interactive map of United States energy infrastructure and resources

Interactive map of water quality at the state and local level

Interactive map of water resources across the United States
Interactive map of weather hazard warnings in the United States
National Oceanic and Atmospheric Administration

Interactive map of wind farms in the United States
U.S. Geological Survey

Map of potential geothermal resources across the United States
National Renewable Energy Laboratory

Map of wind power capacity in each U.S. state
U.S. Department of Energy

Visualization of average per person energy use for each state
U.S. Department of Energy

Visualization of energy use in every state
Lawrence Livermore National Laboratory

Visualization of water use in every state
Lawrence Livermore National Laboratory

Visualization of water use in the United States
U.S. Geological Survey

Popular Maps & Visualizations
Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey

Interactive map of coastal flooding impacts from sea level rise
National Oceanic and Atmospheric Administration

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of water levels for major reservoirs in California
California Department of Water Resources

Interactive map of thermal springs in the United States
National Oceanic and Atmospheric Administration
