Interactive map of energy resources in the United States
U.S. Geological Survey

Interactive map of flood conditions across the United States
U.S. Geological Survey

Interactive map of groundwater monitoring information in the United States
U.S. Geological Survey

Interactive map of hazardous waste cleanups in the United States
U.S. Environmental Protection Agency

Interactive map of historical oil and gas production in the United States
U.S. Geological Survey

Interactive map of mineral resources and mines across the United States
U.S. Geological Survey

Interactive map of North Dakota's geology and natural resources
North Dakota State Government

Interactive map of oil and gas resources in North Dakota
North Dakota Department of Mineral Resources
Interactive map of operating nuclear power reactors in the United States
U.S. Nuclear Regulatory Commission

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of produced waters in the United States
U.S. Geological Survey

Interactive map of real-time and forecast information for coasts and oceans
National Oceanic and Atmospheric Administration

Interactive map of streams and rivers in the United States
U.S. Geological Survey

Interactive map of surface water quality in North Dakota
North Dakota Department of Environmental Quality

Interactive map of the chemistry and mineralogy of soils in the United States
U.S. Geological Survey

Interactive map of the United States' geology and natural resources
Map of potential geothermal resources across the United States
National Renewable Energy Laboratory

Map of wind power capacity in each U.S. state
U.S. Department of Energy

Visualization of average per person energy use for each state
U.S. Department of Energy

Visualization of energy use in every state
Lawrence Livermore National Laboratory

Visualization of water use in every state
Lawrence Livermore National Laboratory

Visualization of water use in the United States
U.S. Geological Survey

Popular Maps & Visualizations

Interactive map of water levels for major reservoirs in California
California Department of Water Resources

Interactive map of volcanoes and current volcanic activity alerts in the United States
