Interactive atlas of coal mine maps in Kentucky
Kentucky Energy and Environment Cabinet

Interactive map of coastal and marine geoscience features in the United States
National Oceanic and Atmospheric Administration

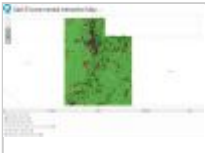

Interactive map of disposal and injection wells in Kentucky
Kentucky Geological Survey

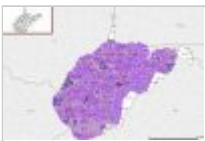

Interactive map of energy resources in the United States
U.S. Geological Survey

Interactive map of environmental information in West Virginia
West Virginia Department of Environmental Protection

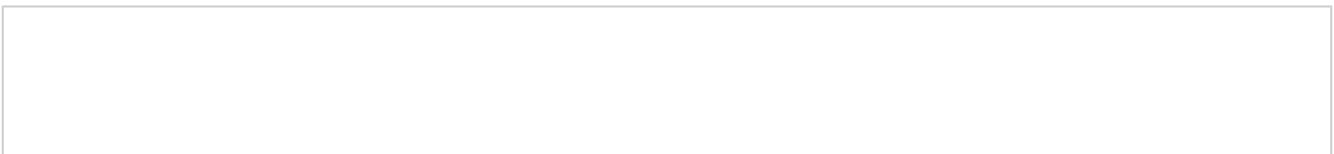

Interactive map of environmental monitoring and management in Utah
Utah Department of Environmental Quality

Interactive map of geothermal resources in West Virginia
West Virginia Geological & Economic Survey

Interactive map of historical oil and gas production in the United States
U.S. Geological Survey

Interactive map of Idaho's geology and natural resources

Idaho Geological Survey

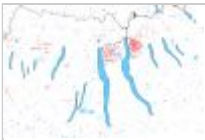

Interactive map of Kentucky's geology and natural resources

Kentucky Geological Survey

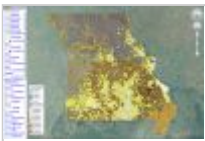

Interactive map of Michigan's geology and natural resources

Michigan Department of Environment, Great Lakes, and Energy

Interactive map of mineral resources in New York State

New York State Department of Environmental Conservation

Interactive map of Missouri's geology and natural resources

Missouri Geological Survey

Interactive map of New Mexico's geology and natural resources

New Mexico Bureau of Geology and Mineral Resources

Interactive map of offshore sand and gravel resources of the United States

Bureau of Ocean Energy Management

Interactive map of oil and gas resources in Alabama

State Oil and Gas Board of Alabama

Interactive map of oil and gas resources in Illinois
Illinois State Geological Survey

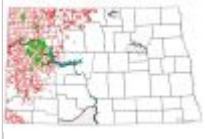

Interactive map of oil and gas resources in Kansas
Kansas Geological Survey

Interactive map of oil and gas resources in Mississippi
Mississippi Department of Environmental Quality

Interactive map of oil and gas resources in Nevada
Nevada Bureau of Mines and Geology

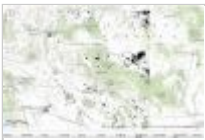

Interactive map of oil and gas resources in North Dakota
North Dakota Department of Mineral Resources

Interactive map of oil and gas resources in Utah
Utah Division of Oil, Gas and Mining

Interactive map of oil and gas resources in Wyoming
Wyoming State Geological Survey

Interactive map of oil and gas wells in Arizona
Arizona Oil and Gas Conservation Commission

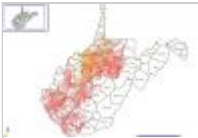

Interactive map of oil and gas wells in Indiana
Indiana Geological and Water Survey

Interactive map of oil and gas wells in Ohio
Ohio Geological Survey

Interactive map of oil and gas wells in Pennsylvania
Pennsylvania Department of Environmental Protection

Interactive map of oil and gas wells in West Virginia
West Virginia Geological & Economic Survey

Interactive map of oil sands in Alberta

Interactive map of Pennsylvania's geology and natural resources
Pennsylvania Geological Survey

Interactive map of permitted oil and gas wells in Florida
Florida Geological Survey

Interactive map of pipelines in the United States

Pipeline and Hazardous Materials Safety Administration

Interactive map of produced waters in the United States

U.S. Geological Survey

Interactive map of South Dakota's geology and natural resources

South Dakota Geological Survey

Screenshot of the interactive map of the energy sector's vulnerabilities to climatic conditions

Image not found or type unknown

Interactive map of the U.S. energy sector's vulnerabilities to climatic conditions

U.S. Department of Energy

Interactive map of tight oil and shale gas plays in the contiguous United States

U.S. Energy Information Administration

Interactive map of United States energy infrastructure and resources

U.S. Energy Information Administration

Interactive map of Washington's geology and natural resources

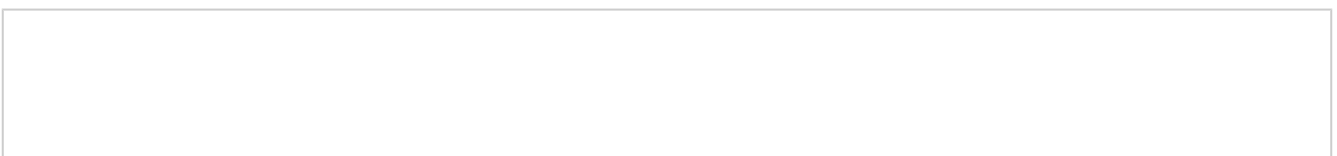

Washington Division of Geology and Earth Resources

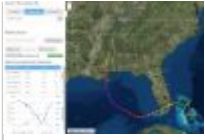

Visualization of energy use in every state

Lawrence Livermore National Laboratory

Popular Maps & Visualizations

Interactive map of historical hurricane tracks

National Oceanic and Atmospheric Administration

Interactive map of United States energy infrastructure and resources

U.S. Energy Information Administration

Interactive map of coastal flooding impacts from sea level rise

National Oceanic and Atmospheric Administration

Interactive map of pipelines in the United States

Pipeline and Hazardous Materials Safety Administration

Interactive map of volcanoes and current volcanic activity alerts in the United States

U.S. Geological Survey
