Interactive map of oil and gas resources in North Dakota
North Dakota Department of Mineral Resources

Interactive map of oil and gas resources in Utah
Utah Division of Oil, Gas and Mining
Interactive map of oil and gas resources in Wyoming
Wyoming State Geological Survey

Interactive map of oil and gas wells in Arizona
Arizona Oil and Gas Conservation Commission

Interactive map of oil and gas wells in Indiana
Indiana Geological and Water Survey

Interactive map of oil and gas wells in Ohio
Ohio Geological Survey

Interactive map of oil and gas wells in Pennsylvania
Pennsylvania Department of Environmental Protection

Interactive map of oil and gas wells in West Virginia
West Virginia Geological & Economic Survey

Interactive map of oil sands in Alberta
Alberta Energy

Interactive map of operating nuclear power reactors in the United States
Interactive map of Pennsylvania's geology and natural resources
Pennsylvania Geological Survey

Interactive map of permitted oil and gas wells in Florida
Florida Geological Survey

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of post-fire debris-flow hazards in the Western United States
U.S. Geological Survey

Interactive map of produced waters in the United States
U.S. Geological Survey

Interactive map of real-time and forecast information for coasts and oceans
National Oceanic and Atmospheric Administration

Interactive map of real-time flood information for Texas
U.S. Geological Survey

Interactive map of the geology of Georgia
U.S. Geological Survey

Interactive map of the geology of Michigan
Michigan Geological Survey

Interactive map of the geology of North Carolina
North Carolina Geological Survey

Interactive map of the geology of South Carolina
South Carolina Geological Survey

Interactive map of the geology of Utah
Utah Geological Survey

Interactive map of the High Plains Aquifer in Kansas
Kansas Geological Survey

Interactive map of the surface geology of Arkansas
Arkansas Geological Survey

Interactive map of the surface geology of Texas
U.S. Geological Survey

Screenshot of the interactive map of the energy sector's vulnerabilities to climatic conditions

Image not found or type unknown

Interactive map of the U.S. energy sector's vulnerabilities to climatic conditions

U.S. Department of Energy

Interactive map of the United States' geology and natural resources

U.S. Geological Survey

Interactive map of thermal springs in the United States

National Oceanic and Atmospheric Administration

Interactive map of tight oil and shale gas plays in the contiguous United States

U.S. Energy Information Administration

Interactive map of tsunami evacuation information for Washington

Washington Division of Geology and Earth Resources

Interactive map of underground mines in Minnesota

Minnesota Department of Natural Resources

Interactive map of United States energy infrastructure and resources

U.S. Energy Information Administration
Interactive map of United States geothermal data
National Geothermal Data System

Interactive map of Vermont's geology and natural resources
Vermont Center for Geographic Information

Interactive map of Virginia's geology and natural resources
Virginia Division of Geology and Mineral Resources

Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey

Interactive map of Washington's geology and natural resources
Washington Division of Geology and Earth Resources

Interactive map of water and weather conditions in Texas
U.S. Geological Survey

Interactive map of water levels for major reservoirs in California
California Department of Water Resources

Interactive map of water quality assessments in Tennessee
Tennessee Department of Environment and Conservation
Interactive map of water quality at the state and local level
U.S. Environmental Protection Agency

Interactive map of water quality in Wisconsin
Wisconsin Department of Natural Resources

Interactive map of water resources across the United States
U.S. Geological Survey

Interactive map of water resources in Georgia
Georgia Soil & Water Conservation Commission

Interactive map of water resources in Oklahoma
Oklahoma Water Resources Board

Interactive map of water use in Wisconsin
Wisconsin Department of Natural Resources

Interactive map of water wells and springs in Kentucky
Kentucky Geological Survey

Interactive map of water wells in Illinois
Illinois State Geological Survey
Interactive map of water wells in Nebraska
Nebraska Department of Natural Resources

South Dakota Department of Environment and Natural Resources
Interactive map of water wells in South Dakota

National Oceanic and Atmospheric Administration
Interactive map of weather hazard warnings in the United States

Iowa Geological Survey
Interactive map of well logs in Iowa

U.S. Geological Survey
Interactive map of wind farms in the United States

National Oceanic and Atmospheric Administration
Interactive maps of global climate information

U.S. Energy Information Administration
Interactive visualization of United States coal data
Map of earthquake probabilities across the United States
U.S. Geological Survey

Map of geothermal power generation in each state
National Renewable Energy Laboratory

Map of groundwater depletion in the United States
U.S. Geological Survey

Map of landslides in Wyoming
Wyoming State Geological Survey

Map of potential geothermal resources across the United States
National Renewable Energy Laboratory

Map of Surficial Aquifer Potential in Connecticut
Connecticut Geological Survey

Map of the bedrock geology of Wisconsin
Wisconsin Geological & Natural History Survey

Map of the surface geology of Hawaii
U.S. Geological Survey
Map of wind power capacity in each U.S. state
U.S. Department of Energy

Visualization of a predictive model for weather hazards
National Oceanic and Atmospheric Administration

Visualization of ash cloud predictions from Mount St. Helens
U.S. Geological Survey

Visualization of average per person energy use for each state
U.S. Department of Energy

Visualization of drought in California
U.S. Geological Survey

Visualization of Earth's key climatic indicators over time
National Aeronautics and Space Administration

Visualization of earthquake risk in California
U.S. Geological Survey

Visualization of energy use in every state
Visualization of historical and predicted global temperature change

Visualization of the mineral resources in everyday objects

Visualization of water use in every state

Visualization of water use in the United States

Visualization of wildfires around the world

Popular Maps & Visualizations

Interactive map of water levels for major reservoirs in California

Interactive map of coastal flooding impacts from sea level rise
Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey

Interactive map of mineral resources and mines across the United States
U.S. Geological Survey

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration
