Interactive map of oil and gas resources in Utah
Utah Division of Oil, Gas and Mining

Interactive map of oil and gas resources in Wyoming
Wyoming State Geological Survey
Interactive map of oil and gas wells in Arizona
Arizona Oil and Gas Conservation Commission

Interactive map of oil and gas wells in Indiana
Indiana Geological and Water Survey

Interactive map of oil and gas wells in Ohio
Ohio Geological Survey

Interactive map of oil and gas wells in Pennsylvania
Pennsylvania Department of Environmental Protection

Interactive map of oil and gas wells in West Virginia
West Virginia Geological & Economic Survey

Interactive map of oil sands in Alberta
Alberta Energy

Interactive map of operating nuclear power reactors in the United States
U.S. Nuclear Regulatory Commission

Interactive map of Pennsylvania's geology and natural resources
Pennsylvania Geological Survey

Interactive map of permitted oil and gas wells in Florida
Florida Geological Survey

Interactive map of pipelines in the United States
Pipeline and Hazardous Materials Safety Administration

Interactive map of post-fire debris-flow hazards in the Western United States
U.S. Geological Survey

Interactive map of produced waters in the United States
U.S. Geological Survey

Interactive map of real-time and forecast information for coasts and oceans
National Oceanic and Atmospheric Administration

Interactive map of real-time flood information for Texas
U.S. Geological Survey

Interactive map of renewable energy in Hawaii
Hawaii State Energy Office
Interactive map of renewable energy in Nevada
Nevada Bureau of Mines and Geology

Interactive map of renewable energy production in each state
U.S. Department of Energy

Interactive map of Rhode Island's geology and natural resources
Rhode Island Department of Environmental Management

Interactive map of sea level rise impacts in Delaware
Delaware Department of Natural Resources and Environmental Control

Interactive map of shoreline change in Alaska
Alaska Division of Geological & Geophysical Surveys

Interactive map of shoreline change rates in Texas
Bureau of Economic Geology

Interactive map of solar energy suitability in Minnesota
Minnesota Department of Commerce

Interactive map of South Dakota's geology and natural resources
South Dakota Geological Survey
Interactive map of spills in South Dakota
South Dakota Department of Environment and Natural Resources

Interactive map of stormwater information in New York State
New York State Department of Environmental Conservation

Interactive map of streams and rivers in the United States
U.S. Geological Survey

Interactive map of surface water quality in North Dakota
North Dakota Department of Health

Interactive map of the chemistry and mineralogy of soils in the United States
U.S. Geological Survey

Interactive map of the geology of Arizona
Arizona Geological Survey

Interactive map of the geology of California
California Geological Survey

Interactive map of the geology of Georgia
U.S. Geological Survey

Screenshot of the interactive map of the energy sector's vulnerabilities to climatic conditions

Image not found or type unknown

Interactive map of the U.S. energy sector's vulnerabilities to climatic conditions
U.S. Department of Energy

Interactive map of the United States' geology and natural resources

U.S. Geological Survey

Interactive map of thermal springs in the United States

National Oceanic and Atmospheric Administration

Interactive map of tight oil and shale gas plays in the contiguous United States

U.S. Energy Information Administration

Interactive map of tsunami evacuation information for Washington

Washington Division of Geology and Earth Resources

Interactive map of underground mines in Minnesota

Minnesota Department of Natural Resources

Interactive map of United States energy infrastructure and resources

U.S. Energy Information Administration

Interactive map of United States geothermal data

National Geothermal Data System
Interactive map of Vermont's geology and natural resources
Vermont Center for Geographic Information

Interactive map of Virginia's geology and natural resources
Virginia Division of Geology and Mineral Resources

Interactive map of volcanoes and current volcanic activity alerts in the United States
U.S. Geological Survey

Interactive map of Washington's geology and natural resources
Washington Division of Geology and Earth Resources

Interactive map of water and weather conditions in Texas
U.S. Geological Survey

Interactive map of water levels for major reservoirs in California
California Department of Water Resources

Interactive map of water quality assessments in Tennessee
Tennessee Department of Environment and Conservation

Interactive map of water quality at the state and local level
U.S. Environmental Protection Agency
Interactive map of water quality in Wisconsin
Wisconsin Department of Natural Resources

Interactive map of water resources across the United States
U.S. Geological Survey

Interactive map of water resources in Georgia
Georgia Soil & Water Conservation Commission

Interactive map of water resources in Oklahoma
Oklahoma Water Resources Board

Interactive map of water use in Wisconsin
Wisconsin Department of Natural Resources

Interactive map of water wells and springs in Kentucky
Kentucky Geological Survey

Interactive map of water wells in Illinois
Illinois State Geological Survey

Interactive map of water wells in Nebraska
Nebraska Department of Natural Resources

Interactive map of water wells in South Dakota
South Dakota Department of Environment and Natural Resources

Interactive map of weather hazard warnings in the United States
National Oceanic and Atmospheric Administration

Interactive map of well logs in Iowa
Iowa Geological Survey

Interactive map of wind farms in the United States
U.S. Geological Survey

Interactive maps of global climate information
National Oceanic and Atmospheric Administration

Interactive visualization of United States coal data
U.S. Energy Information Administration

Map of earthquake probabilities across the United States
U.S. Geological Survey
Map of geothermal power generation in each state
National Renewable Energy Laboratory

Map of groundwater depletion in the United States
U.S. Geological Survey

Map of landslides in Wyoming
Wyoming State Geological Survey

Map of potential geothermal resources across the United States
National Renewable Energy Laboratory

Map of Surficial Aquifer Potential in Connecticut
Connecticut Geological Survey

Map of the bedrock geology of Wisconsin
Wisconsin Geological & Natural History Survey

Map of the surface geology of Hawaii
U.S. Geological Survey

Map of wind power capacity in each U.S. state
U.S. Department of Energy
Visualization of a predictive model for weather hazards
National Oceanic and Atmospheric Administration

Visualization of ash cloud predictions from Mount St. Helens
U.S. Geological Survey

Visualization of average per person energy use for each state
U.S. Department of Energy

Visualization of drought in California
U.S. Geological Survey

Visualization of Earth’s key climatic indicators over time
National Aeronautics and Space Administration

Visualization of earthquake risk in California
U.S. Geological Survey

Visualization of energy use in every state
Lawrence Livermore National Laboratory

Visualization of historical and predicted global temperature change
Visualization of the mineral resources in everyday objects

Visualization of water use in every state

Visualization of water use in the United States

Visualization of wildfires around the world

Interactive map of coastal flooding impacts from sea level rise

Interactive map of volcanoes and current volcanic activity alerts in the United States

Interactive map of mineral resources and mines across the United States
Interactive map of thermal springs in the United States
National Oceanic and Atmospheric Administration

Interactive atlas of historical coal mine maps in Pennsylvania
Pennsylvania Department of Environmental Protection
