Georgia Coastal Management Program, funded through the federal Coastal Zone Management Act and administered through NOAA, works within the eleven coastal counties to provide technical assistance, funding and support.
History
Executive Order

WHEREAS: The State of Georgia may be subjected to numerous and disastrous threats of all kinds, real or perceived, and
WHEREAS: The State of Georgia will plan and prepare to guide state and local disaster recovery and redevelopment actions through the development of a plan to rebuild our state’s cities, counties, and communities, and
WHEREAS: The COEMA (Coastal Emergency Management Agency) and the Georgia Department of Natural Resources (DNR) Coastal Resources Division shall be responsible for writing the Georgia Disaster Recovery and Redevelopment Plan (GDRRP) and
WHEREAS: The State of Georgia will coordinate recovery and redevelopment actions in a manner consistent with the Georgia Disaster Recovery and Redevelopment Plan and the National Disaster Recovery Framework, working through state agencies, local government, and private sector entities to ensure that recovery and redevelopment actions are efficient and effective;
WHEREAS: The Governor of Georgia (GDRRP) shall coordinate and guide the disaster recovery and redevelopment efforts of the State;
WHEREAS: The Governor of Georgia (GDRRP) shall coordinate and guide the disaster recovery and redevelopment efforts of the State;

NOW, THEREFORE, BY THE Authority Vested in Me as Governor of the State of Georgia, It Is hereby ORDERED:

That the Governor of Georgia (GDRRP) shall coordinate and guide the Disaster Recovery Support Program, which serves as the basis for all state, local, and national disaster recovery and redevelopment activities.
