## LIST G - METEORITES - HIERARCHICAL LIST

---

- meteorites
  - iron meteorites
    - ataxite
    - hexahedrite
    - octahedrite
  - micrometeorites
  - stony irons
    - lodranite
    - mesosiderite
    - pallasite
    - siderophyre
  - stony meteorites
    - acapulcoite
    - achondrites
      - angrite
      - aubrite
      - diogenite
      - euclite
      - HED meteorites
      - howardite
      - lunar meteorites
      - Martian meteorites
        - SNC Meteorites
      - chassignite
      - nakhlite
      - shergottite
      - ureilite
    - chondrites
      - carbonaceous chondrites
        - CH chondrites
        - CI chondrites
        - CK chondrites
        - CM chondrites
        - CO chondrites
        - CR chondrites
        - CV chondrites
      - enstatite chondrites
        - EH chondrites
        - EL chondrites
      - K chondrites
      - ordinary chondrites
        - H chondrites
        - HL chondrites
        - L chondrites
        - LL chondrites
      - rumurutiites
