## LIST I - SEDIMENTARY ROCKS - ALPHABETICAL LIST

---

<u>Specific rock name</u>	<u>Group name</u>	<u>Specific rock name</u>	<u>Group name</u>
algal limestone	carbonate rocks	kukersite	oil shale
alum shale	clastic rocks	laminite*	
anhydrite*		lignite	coal
anthracite	coal	limestone	carbonate rocks
arenite	clastic rocks	litharenite	clastic rocks
argillite	clastic rocks	marl	clastic rocks
arkose	clastic rocks	megabreccia*	
bafflestone	carbonate rocks	micrite	carbonate rocks
banded iron formations	chemically precipitated rocks	microbialite	carbonate rocks
bauxite	sedimentary rocks	microbreccia*	
beachrock	carbonate rocks	microcrystalline limestone	carbonate rocks
bentonite	clastic rocks	molasse*	
biocalcarenite	carbonate rocks	mudstone	clastic rocks
biomicrite	carbonate rocks	novaculite	clastic rocks
biosparite	carbonate rocks	oil sands	sedimentary rocks
bituminous coal	coal	oil shale	sedimentary rocks
black shale	clastic rocks	oolite*	
bone beds	sedimentary rocks	oolitic limestone	carbonate rocks
boundstone	carbonate rocks	orthoquartzite	clastic rocks
calcarenite	carbonate rocks	packstone	carbonate rocks
calclutite	carbonate rocks	phosphate rocks	chemically precipitated rocks
calcrete*		porcellanite	clastic rocks
caliche*		pozzolan*	
caustobiolith	sedimentary rocks	quartz arenite	clastic rocks
chalk	carbonate rocks	quartz-pebble conglomerate	clastic rocks
chert	chemically precipitated rocks	radiolarite	clastic rocks
cinerite	clastic rocks	red beds	clastic rocks
claystone	clastic rocks	rudstone	carbonate rocks
coal	sedimentary rocks	salt	chemically precipitated rocks
conglomerate	clastic rocks	sandstone	clastic rocks
contourite*		sapropelite	coal
coquina	carbonate rocks	sedimentary breccia	clastic rocks and breccia
diamictite	clastic rocks	shale	clastic rocks
diatomite	clastic rocks	shell beds*	
dolomitic limestone	carbonate rocks	silcrete	chemically precipitated rocks
dolostone	carbonate rocks	siliceous sinter	chemically precipitated rocks
duricrust	chemically precipitated rocks	siliciclastics*	
eolianite	clastic rocks	siltstone	clastic rocks
evaporites	chemically precipitated rocks	sparagmite	clastic rocks
fanglomerate	clastic rocks	spongolite	clastic rocks
ferricrete	chemically precipitated rocks	steam coal	coal
flint	chemically precipitated rocks	subarkose	clastic rocks
floatstone*		subbituminous coal	coal
flysch*		subgraywacke	clastic rocks
gaize	clastic rocks	sublitharenite	clastic rocks
gas sands	sedimentary rocks	sylvinitic	chemically precipitated rocks
grainstone	carbonate rocks	taconite	chemically precipitated rocks
grapestone	sedimentary rocks	tempestite*	
graywacke	clastic rocks		
greensand*			
gypsum*			
humic coal	coal		
iron formations	chemically precipitated rocks		
ironstone	chemically precipitated rocks		
jasperoid	chemically precipitated rocks		
jaspilite	chemically precipitated rocks		

\* Does not autopost.

<u>Specific rock name</u>	<u>Group name</u>
tidalite*	
tillite	clastic rocks
tilloid	clastic rocks
tonstein	clastic rocks
torbanite	sedimentary rocks
travertine	carbonate rocks
tripoli	sedimentary rocks
tufa	chemically precipitated rocks
turbidite*	
volcaniclastics*	
wackestone	carbonate rocks
weathering crust	chemically precipitated rocks

\* Does not autopost.
