

Georgia Coastal Management Program, funded through the federal Coastal Zone Management Act and administered through NOAA, works within the eleven coastal counties to provide technical assistance, funding and support

Coastal Georgia

History

Background

THE STATE OF GEORGIA

EXECUTIVE ORDER

BY THE GOVERNOR:

- WHEREAS:** The State of Georgia may be subjected to emergencies and disasters of all kinds and of different magnitudes; and
- WHEREAS:** The State of Georgia will plan and prepare to guide state and local disaster recovery and redevelopment actions through the development of a plan to rebuild more safe, vibrant, sustainable and disaster resilient communities; and
- WHEREAS:** The GEMA/Homeland Security and the Georgia Department of Natural Resources Coastal Resources Division shall be responsible for writing the Georgia Disaster Recovery and Redevelopment Plan (GDRRP); and
- WHEREAS:** The State of Georgia will coordinate recovery and redevelopment actions in a manner consistent with the Georgia Disaster Recovery and Redevelopment Plan and the National Disaster Recovery Framework working through state agencies, local jurisdictions, volunteer organizations, and public and private agencies that have experience in recovery and redevelopment; and
- WHEREAS:** At the time of the activation of the Georgia Disaster Recovery and Redevelopment Plan, the Governor shall designate a state agency to coordinate and guide the disaster recovery and redevelopment efforts of the State; and
- WHEREAS:** The Georgia Disaster Recovery and Redevelopment Plan (GDRRP) shall identify recovery and redevelopment responsibilities that are consistent with the Georgia Emergency Operations Plan (GEOP) which identifies responsibilities to assist all local governments and citizens in the preparation for and response to emergencies and disasters.
- NOW, THEREFORE, BY THE AUTHORITY VESTED IN ME AS GOVERNOR OF THE STATE OF GEORGIA, IT IS HEREBY**
- ORDERED:** That the Georgia Recovery and Redevelopment Plan identifies Recovery Support Functions which serve as the basis to assist all state, local governments and citizens during pre and post disaster recovery and redevelopment activities.
